Vice-President's Report

Dear Club Members and Friends of the Austrian Club Melbourne,

In the absence of our President and Secretary (Otto and Beverly Griesmayr), this will be a brief report from your Vice-President about the major events of the last month. As in recent months before, some of the Saturdays have been rather quiet, but some were very busy and successful. On the other hand, Sundays have been mostly very busy this year and attracting many members, as well as visitors and new guests.

Father's Day on Sunday 3rd September was one of the busy ones, and it was good to see many families celebrating at the Club with their families. The following weekend was a very full one, with the "Steirerabend" on Saturday and the AGM on Sunday. Most visitors expressed the opinion that the Steirerabend was one of the best in many years, with a very jovial atmosphere, entertaining music from "Alpine Cocktail" (with a little help from Julia and myself), and people dancing the night away until 1am.

The next day was no time for sleeping in, unfortunately, as it was the day of our Annual General Meeting, which prompted a good turn-out from our members (about 25%). The meeting itself was very friendly, not too long, and most members appeared to be satisfied with the information, discussions and overall outcomes of the meeting. For those who could not attend, here is brief summary.

After a report from our President, the Annual Accounts were presented by the treasurer Otto Ruf, and members were pleased to note the improvement in our financial standing from the previous two years (the balance sheet approved by our auditor exactly as already presented in the September newsletter). The motion to change Item 28 of our Constitution was passed by all members present, after a brief discussion (again, this was fully detailed in the August newsletter and concerned changes to the financial arrangements in case of the winding up of the Austrian Club). Election of the management committee was extremely quick and simple, with all committee members being either confirmed or re-elected and no new nominations having been received. Otto Griesmayr was then re-elected as president of the Club, with no other candidate standing for office.

A short overview of the dealings, situations and plans for the sale of the Club's back part of the land was presented by myself (again, similar to the information printed in the September newsletter). After some discussion, questions and answers, the members agreed to give the committee the go-ahead with the follow-through of the sale. Since then, a written approval of our application of subdivision of the land has been received from the Council without any

restrictions. After final certifications, confirmations of all services to the new sub-division, setting up of a sales contract with our solicitor, public advertising of the land, and other matters, we will be able to go for auction in November. I will report more details about the progress in the next newsletter.

The closing of the AGM saw three of our most hard-working members being nominated and enthusiastically confirmed as Honorary Life Members. They are Hans Friedrich (stock-shooter and man of many talents), and the long-serving team of Beverly Griesmayr (secretary and assistant treasurer) and Otto Griesmayr (president).

Another major highlight of the last month was the visit of the Austrian band "Kreuzberg Rebellen", who played to and entertained a full house of happy guests on Saturday, 23rd September. We had relatively short notice of them coming to Australia and were pleased to see so many people come to the Club again after a busy weekend just the previous week.

But September has also been a difficult month for the management committee (and myself). With Otto and Beverly having always done a huge part of the big workload necessary to make the Club run smoothly and efficiently, their departure after the AGM for a seven week holiday in Europe, meant that some of us had to learn a great deal about the running of the Club in order to guarantee continuity of the operation. Combined with the start of a new chef, a fair number of major events to organise and to run (including the big Spring Festival coming up), dealing with the sale of the land (an ongoing and very involved matter), changes to our liquor license, the newsletter, and much more, the situation presented a big challenge and commitment to the management committee. And with some of them being overseas or otherwise restricted in time, it leaves a huge burden on the rather small number of people to take on responsibilities and to do the necessary work. Therefore we ask you to show a little consideration, patience and understanding for the work we try to do – and maybe you can spare some time and/or knowledge to help with the many tasks on hand. I believe the future for the Club looks very good, but it still needs a lot of hard work at the very moment to get there.

Hope to see you soon at the Club, with best wishes,
Dieter Bajzek

Nationalratswahlen 2006 (Sonntag 01.10.2006)

Gusenbauer besiegt Schüssel

Die SPÖ ist entgegen vielen Erwartungen als stärkste Partei aus der Nationalratswahl hervorgegangen. Die SPÖ profitierte massiv von den starken Stimmenverlusten der regierenden Volkspartei. Auf dem dritten Platz landete die FPÖ - knapp vor den Grünen. Das BZÖ verfehlte das Direktmandat in Kärnten, könnte aber auch nach Auszählung der Wahlkarten den Einzug in den Nationalrat schaffen. Die Liste Martin übersprang die Vierprozenthürde nicht. SPÖ-Chef Gusenbauer strebt nun eine große Koalition an.

Schwere Niederlage für Kanzler

Wahlsieger Gusenbauer strebt große Koalition an. Die Nationalratswahl 2006 hat einen Überraschungssieger: Entgegen allen Umfragen und trotz der BAWAG-Affäre hat es die SPÖ geschafft, die ÖVP von Platz eins zu verdrängen.

Laut dem vorläufigen Endergebnis (ohne Wahlkartenstimmen) verteidigt die FPÖ zudem Platz drei gegen die Grünen. Das BZÖ schafft den Einzug ins Parlament, die Liste Martin scheiterte dagegen deutlich.

Massive Einbußen für ÖVP

Der Wahlabend war spannend verlaufen: Nach der ersten Hochrechnung lieferten einander SPÖ und ÖVP ein Kopf-an-Kopf-Rennen - mit steigendem Auszählungsgrad wurde der Vorsprung der Sozialdemokraten jedoch immer größer.

Die ÖVP ist mit mehr als acht Prozentpunkten minus die klare Verliererin der Wahl. Aber auch der Wahlsieger SPÖ musste ein Minus von 0,8 Prozentpunkten hinnehmen.

Schmerzliche Niederlage für ÖVP, Grüne mit bestem Ergebnis aller Zeiten.

Nach dem Rekordgewinn von 2002 hat die ÖVP bei den Nationalratswahlen mit einem Minus von 8,1 Prozentpunkten den zweitstärksten Verlust seit 1945 eingefahren. In etwa gleich geblieben sind die SPÖ mit einem kleinen Verlust von 0,8 Prozentpunkten, die FPÖ mit einem Plus von 1,2 und die Grünen mit einem Plus von einem Prozentpunkt.

Elisabeth Schwarzkopf (91) ist tot

Eine Sopranistin mit unverkennbarem Timbre

Ihr Name steht für unübertroffenen Mozart- und Strauss-Gesang, für subtile Liedkunst, aber auch für hoch artifizielles Singen: Elisabeth Schwarzkopf ist nach Angaben des Bestattungsinstituts Marent Peter im österreichischen Schruns in der Nacht zum Donnerstag im Alter von 91 Jahren gestorben.

Als "vielleicht die beste Sängerin Europas" bezeichnete Herbert von Karajan bereits 1946 Elisabeth Schwarzkopf.
